

Barracuda Swimming

Woodburn • Silverton • Molalla

Proudly Serving Young Swimmers in the Northern Willamette Valley

WBST, P.O. Box 295, Woodburn, OR 97071

Meet Planner/Swim Meet Information

Please return the Meet Planner to Coach Zell for Woodburn Swimmers, Coach Cindy for Silverton Swimmers and to the Coach in Molalla for Molalla Swimmers, or mail your planner to PO Box 295 (see above address). Thank you.

New swimmers should attend all the Home meets that we host to gain experience and join the fun.

“Qualified Athletes” meets are ones where the athlete has to meet a minimum time standard to be eligible to go. Those are mostly Championship meets. *Families must commit to all Championship Meets when meet sheet is turned in.* **Check out the OSI website at oregonswimming.org** and go to the “standards” section to see what these times are. Standards are separate for male and female and are by age group.

B/C meets are open to swimmers who do not have an “A” time standard in the events they will swim at that meet. These meets are always a lot of fun.

Fall/Winter is the Short Course Season; meets are held at a 25-yard pool like our 3 pool sites. Late Spring and Summer is Long Course Season; meets are at a 50-meter pool like Mt. Hood Comm. College’s outdoor pool.

When in doubt about what meets to sign up for ask your coach or contact Coach Zell.

Important Information: Remember this is a proposed schedule and could change as the season progresses due to meet availability and/or date changes/cancellations. We enter meets usually 4-6 weeks in advance to guarantee our acceptance so plan ahead. Late entry is usually not possible. Once a swimmer is entered into a meet you have a financial obligation to pay for that meet even if the swimmer ends up not swimming for any reason. Our team is billed upon entry with no refunds available. If you need to make a change, please fill out a new planner and mark it revised.

Thank you,
Coach Zell

Abbreviations you will see on Swim Meet information:

LCY	Long Course Yard (50 yard pool)
SCY	Short Course Yard (25 yard pool)
LCM	Long Course Meter (50 meter pool)
SCM	Short Course Meter (25 meter pool)

ABC	Refers to swim times by event:
A Time	Fastest Times: qualify for Championships
B Times	Mid Times
C Times	All other times

(Please refer to OSI website for time standards.)

AG	Age Group	up to 12 years old
SR	Senior	13 and over
